

Hair Category	Service	Description	Price	Duration	Bundle?
Extensions	Wash and Braid down for install	Service includes washing, blowdrying, and braiding prior to wig install **Starting price: \$45.00 for short to medium length hair; \$55.00 (medium to long hair)	\$55.00	45 min	-
Extensions	Weave per track	Weave per track is single tracks added to your hair with beads. This means that there is no braiding involved with this hairstyle. Wash and blowdry are not included.	\$145.00	90 min	-
Extensions	Partial Weave	A partial weave has similarities to a full weave, however, a partial sew-in has wefts sewn directly onto flat braids with a small section of hair that is left out in the front, side, or back of the wearer's head - which allows the customer the ability to wear their hair in up-do's. Wash/blowdry are not included within price shown.	\$165.00	150 min	-
Extensions	Quick weave w/ frontal	A lace frontal, is the "finishing piece" that completes a full head of weave. It's a recreation of the hairline that is essentially a protective style, giving your hairline and edges a break from the tension of sew-ins. Pricing may vary due to: -Washing/blowdrying (additional \$25) -Styling, e.g., up-do's, crimps, wand curls (additional \$35)	\$125.00	90 min	-
Extensions	Quick weave w/ closure	Prep and protect hair. Compatible with any extension hair type including body wave, curly, etc. What is a "closure?" Closure hair is a section of lace filled with hair used to "close off" a sew-in or wig. Most closures are 4 inches in length/ 4 inches in width, making them large enough to give you the option of a middle or side part in your sew-in or wig. Prices may vary with wash and/or styling.	\$125.00	180 min	-
Extensions	Natural quick weave	Quick weave with your own hair utilized for the parting section to create a natural look. Prices may vary with wash and/or styling.	\$100.00	135 min	-
Extensions	Natural half-up/ half-down quick weave (without frontal)	Quick weave with your own leave out used as the top half of the half-up, half-down hairstyle along with added hair to your ponytail.	\$125.00	90 min	-
	Ponytail w/ bangs	Sleek and refined ponytail extension with bangs. Washing is an additional \$25	\$85.00	90 min	-
Extensions	Ponytail w/ frontal	Full lace gives you a natural hairline (without leaving any of your hair out) along with a ponytail installed. Pricing may vary due to: -Washing/blowdrying (additional \$25)	\$115.00	90 min	-
Extensions	Sew-in w/ frontal	A sew-in with frontal recreates a natural hairline from ear to ear and is bonded together to add extra versatility for styling along with bundles sewn in for the remaining sections. Pricing may vary due to: -Washing/blowdrying (additional \$25) -Styling, e.g., up-do's, crimps, wand curls (additional \$35).	\$185.00	150 min	-
Extensions	Sew-in w/ closure	A sew-in with closure recreates a natural parting of the hairline and is sewn in place. Different closure sizing: - 4x4 - 5x5 Pricing may vary due to: -Washing/blowdrying (additional \$25) -Styling, e.g., up-do's, crimps, wand curls (additional \$35).	\$175.00	135 min	-
Extensions	Natural Sew-in	A natural sew-in consists of your most hair braided down excluding a section of your own hair which will be used to create a natural part to blend with the hair that is sewn in. Pricing may vary due to washing and/or styling. -Washing/blowdry (additional \$25) -Styling such as wand curls, crimps, etc. (additional \$35)	\$165.00	120 min	-
Extensions	Half-up/ half-down sew-in	Sew-in that is styled half-up and half-down. Your own hair is sleeked down in the upper front of this hairstyle with the addition of extensions to your ponytail and bundles in the lower half of the hairstyle.	\$125.00	150 min	-

Extensions	Wash wig	Wig care is essential. So when we wash our hair (whether wigs, extensions or growth hair) what we are primarily doing is removing the dust, oil and/or styling product buildup from the hair strands. It sounds obvious, but if you keep that in mind, it'll help you with having a gentle, simple hair washing routine. Wigs should be washed every 2-4 weeks. Pricing may vary between \$25-35 (not including install).	\$25.00	45 min	-
Extensions	Wash + curl wig	Wig care is essential. So when we wash our hair (whether wigs, extensions or growth hair) what we are primarily doing is removing the dust, oil and/or styling product buildup from the hair strands. It sounds obvious, but if you keep that in mind, it'll help you with having a gentle, simple hair washing routine. Wigs should be washed every 2-4 weeks. Pricing may vary between \$45-65 (this does not include install).	\$55.00	60 min	-
Extensions	Wash + reinstall 4x4 closure wig	This service is for those who currently have a 4x4 closure wig on and are in need of washing and reinstalling the closure. Pricing ranges between \$75-100.	\$125.00	90 min	-
Extensions	Wash + reinstall frontal wig	This service is for those who currently have a 4x4 closure wig on and are in need of washing and reinstalling the closure. Pricing ranges between \$100-135	\$150.00	90 min	-
Extensions	Wig install w/ frontal	A wig install with frontal recreates a natural hairline providing full coverage from ear-to-ear and optimal versatility for styling. Pricing may vary due to: -Washing/blowdrying (additional \$25) -Styling, e.g., up-do's, crimps, wand curls (additional \$35).	\$125.00	105 min	-
Extensions	Wig install w/ 360 frontal	A wig install with 360 frontal not only recreates a natural hairline but is entirely around your head providing full coverage and optimal versatility for styling. Pricing may vary due to: -Washing/blowdrying (additional \$25) -Styling, e.g., up-do's, crimps, wand curls (additional \$35).	\$135.00	120 min	-
Extensions	Wig install w/ closure	Closure wigs is a section of lace filled with hair used to "close off" a wig or sew-in. Most closures are 4 inches in length and width, making them large enough to give you the option of a middle or side part in your sew-in or wig. Pricing may vary due to wash and/or styling (e.g., up-do's, crimps, wand curls are an additional \$35).	\$100.00	90 min	-
Extensions	Half-up/ half-down wig install (with frontal)	What is a wig install with frontal? A wig install with frontal recreates a natural hairline providing full coverage from ear-to-ear and optimal versatility for styling. Rather than merely installing the wig, it is styled by dividing the hair into two sections: half-up into a ponytail while the lower half is simply down. Pricing may vary due to: -Washing/blowdrying (additional \$25) -Styling, e.g., up-do's, crimps, wand curls (additional \$35).	\$150.00	120 min	-
Extensions	Microlinks, kinky curly	Also referred to as "microbeads" or "micro rings;" hair extensions: are the smallest and most undetectable non-glue hair extensions technique available. It combines the strands of natural hair with the extension strand using tiny metal tubes. Wash and blowdry are not included.	\$450.00	300 min	-
Extensions	Microlinks, body wave or curly	Also referred to as "microbeads" or "micro rings;" hair extensions: are the smallest and most undetectable non-glue hair extensions technique available. It combines the strands of natural hair with the extension strand using tiny metal tubes. Wash and blowdry are not included.	\$350.00	240 min	-
Extensions	Microlinks, straight hair	Also referred to as "microbeads" or "micro rings;" hair extensions: are the smallest and most undetectable non-glue hair extensions technique available. It combines the strands of natural hair with the extension strand using tiny metal tubes. Wash and blowdry are not included.	\$300.00	240 min	-
Extensions	Loose curl crochet	With loose curl crochet, you're installing the hair the same way by looping bits of extension through and around the head. By corrowing down your entire head, we can add single strands of wavy or curly in the corrow braids - leaving you with a carefree hairstyle. Wash and blowdry are not included.	\$135.00	75 min	-
Extensions	Extensions - consultation	Extensions are positioned close to the scalp by weaving, braiding, or bonding, and may consist of real or synthetic hair. They are designed to add length and volume to the style. When applied professionally, extensions will mix and move naturally with any style.	\$15.00	15 min	-

Extensions	Extensions - removal	Receive professional assistance with removing your extensions whether it is a quick weave, sew-in, or wig install. With this service, we will remove your install while reducing chances of hair loss.	\$45.00	60 min	-
General Hair Styling	Wand curls	Wand curls are manually wrapped and twisted around the hot barrel then held in place with fingers. These wands or rods usually produce looser, flat curls and beach waves since the hair is curled with less tension than a traditional curling iron. Shampoo is not included. Price may vary between \$45-75	\$45.00	30 min	-
General Hair Styling	Flat iron	Hair straightening is a hair styling technique used since the 1890s involving the flattening and straightening of hair in order to give it a smooth, streamlined, and sleek appearance. The price does not include shampoo. \$35-65	\$25.00	45 min	-
General Hair Styling	Crimps	Hair crimping is a method of styling usually straight, long hair so that it becomes wavy, often in a sawtooth / zig-zag fashion. The pricing shown does not include wash and install.	\$55.00	45 min	-
General Hair Styling	Barrel Curls	Barrel Curls are large, loose ringlets or spirals that can be achieved with a curling iron or hair curlers. This hair style, often used by various celebrities can help add both a casual glamorous effect as well as hair volume. Barrel curls are one of the most common hair style effects created with iron styling.	\$45.00	45 min	-
Hair Cuts	Big Chop	The big chop simply as stated - BIG chop. With this hair service, we will remove any and all damaged/ chemically processed hair, essentially restarting your natural hair journey.	\$45.00	45 min	-
Hair Cuts	Cut and Style	Hair cut followed by styling to your liking. **Based on the images shown: in the top picture, this client has natural hair vs. the bottom picture, relaxed hair.	\$75.00	75 min	-
Hair Cuts	Trim	A trim means taking off the least amount of hair possible to make it look healthy again. Trimming your hair actually encourages hair growth. It may sound counterintuitive, but the appearance of broken split-ends not only damages the look and feel of your hair, but it also contributes to the appearance of shorter hair and thinner hair ends. Freshly cut ends also help to detangle your hair. Washing and styling are not included.	\$25.00	30 min	-
Hair Cuts	Barber Cuts	Do you prefer shorter hairstyles? With our service: barber cuts, you may get unique haircuts such as traditional fades and more.	\$20.00	45 min	-
Hair Washing Services	Protein treatment	Think of a protein treatment as intensive hair therapy—they're filled with hydrating and strengthening ingredients (like hydrolyzed proteins, amino acids, and natural oils) that help temporarily fill in the cracks and gaps in your damaged hair cuticle so it's stronger and more resilient.	\$20.00	60 min	-
Hair Washing Services	Olaplex treatment	Protein treatment and hair bond repair. The Original Bond Builder; the only patented system to noticeably repair extreme damage, turning dry, brittle hair into soft, shiny, and more resilient hair.	\$35.00	60 min	-
Hair Washing Services	Hot oil treatment	Do hot oil treatments help with hair growth? Ingredients commonly used in hot oil treatments like castor oil, olive oil, and coconut oil lack the scientific evidence needed to support their use for hair growth. Dr. Green says not all hope is lost. Hot oil treatments encourage healthier hair by increasing blood flow to the scalp and helping with hair loss and breakage.	\$20.00	75 min	-
Hair Washing Services	Shampoo and set	A simple service consisting of washing and conditioning your hair.	\$65.00	45 min	-
Hair Washing Services	Shampoo and set (rod), natural hair	Shampoo set/ Doobie: shampooing and conditioning the hair followed by winding the wet hair on rods to create curls in the hair.	\$85.00	60 min	-
Hair Washing Services	Shampoo and set (rod), relaxed hair	Shampoo set/ Doobie: shampooing and conditioning the hair followed by winding the wet hair on rods to create curls in the hair.	\$75.00	60 min	-
Hair Washing Services	Shampoo and set (rollers), natural hair	Shampoo set/ Doobie: shampooing and conditioning the hair followed by winding the wet hair on rollers to create curls in the hair.	\$75.00	60 min	-
Hair Washing Services	Shampoo and set (rollers), relaxed hair	Shampoo set/ Doobie: shampooing and conditioning the hair followed by winding the wet hair on rollers to create curls in the hair.	\$65.00	60 min	-
Hair Washing Services	Shampoo and set (tighten tracks)	Shampooing and conditioning the hair followed by tightening your tracks to freshen up a previous install.	\$85.00	75 min	-
Hair Washing Services	Shampoo and set (fix closure)	Shampooing and conditioning the hair followed by fixing/ readjustment of a closure previously installed.	\$85.00	75 min	-
Hair Washing Services	Shampoo and set (reapply frontal)	Shampooing and conditioning the hair followed by reapplication of lace frontal from a previous install to freshen up the front of your extension (wig, quick weaves, sew-in) install.	\$95.00	75 min	-

Natural Hair Services	Natural twists (two-strand twists)	Natural twist is two-stranded twists in a specific hairstyle, where you take two locks of hair and wrap them around each other. Trim is not included.	\$100.00	75 min	-
Natural Hair Services	Coils, up-do	Enhance your natural hair by styling them into an unique up-do along with coils. If you don't know what coils are - coils can be created in two ways- using a comb or fingers and last about 10-14 days depending on hair maintenance. With this service, your hair can be styled into an up-do involving braids or flat twists into coils- similarly shown as the photo displayed.	\$100.00	80 min	-
Natural Hair Services	Coils	You probably have heard of this hairstyle by the name of finger coils, but if you don't know what coils are - coils are curls on natural hair. It can be created in two ways- using a comb for a tighter coil effect or simply with fingers. This style can last about 10-14 days depending on hair maintenance. Coils is also often used as a beginner-friendly hairstyle to start a loc journey within 6 months.	\$85.00	75 min	-
Perms, Relaxers, Keratin Services	Keratin treatment (hair length: medium-long)	A keratin treatment is a process that smoothes and often straightens hair. You might also hear it called a "Brazilian keratin treatment" or a "Brazilian blowout." It involves applying products to the hair, blowdrying, and sealing it with a flat iron. Keratin is a natural type of protein in your skin, hair, and nails. Keratin treatments are \$150, which includes cut and style.	\$175.00	75 min	-
Perms, Relaxers, Keratin Services	Keratin treatment (hair length: short-medium)	A keratin treatment is a process that smoothes and often straightens hair. You might also hear it called a "Brazilian keratin treatment" or a "Brazilian blowout." It involves applying products to the hair, blowdrying, and sealing it with a flat iron. Keratin is a natural type of protein in your skin, hair, and nails. Keratin treatments are \$150, which includes cut and style.	\$150.00	75 min	-
Perms, Relaxers, Keratin Services	Relaxer retouch	Relaxer retouch: to perm new growth of hair to match hair that has been straightened. I recommend anywhere between 8-10 weeks on average for touch-ups. Cut and basic style are included within price as shown.	\$80.00	80 min	-
Perms, Relaxers, Keratin Services	Virgin relaxer	A virgin relaxer, also known as perm for Black hair, is a chemical treatment that straightens curly hair by breaking down the bonds in the hair shaft. This means getting into the cuticle and cortex layers of hair. During this process, the curly, wavy, or kinky hair texture is straightened out, resulting in that quintessential straight, sleek look. Treatment, cut, and basic styling included within price as shown.	\$100.00	80 min	-
Perms, Relaxers, Keratin Services	Wave Nouveau (wave-by-design)	Wave Nouveau (curly perms) is done by using chemicals that help reshape small sections of hair. The chemical is applied to the hair then the hair is wrapped around rods, allowing it to reshape itself to sit in a curly texture.	\$90.00	75 min	-
Hair Coloring					
Hair Coloring	Root touch-up and full highlights	Root touch-up along with full head of highlights dyes your new growth a solid color with full coverage of highlights. It is recommended no more than 3-4 times a year for highlights. What is full highlights? A full highlight involves highlighting hair in every section of your head. This could be slightly lightening all of your hair or for something more dramatic like going from brunette to blonde. Pricing may vary. Cut/style is additional \$35.	\$210.00	90 min	Yes
Hair Coloring	Root touch-up and partial highlights	Bundle service: root touch-up along with partial highlights. Simply put- partial highlights involve partially highlighting your mane. This highlighting technique is focused on one section of your hair. Rather than providing an all-over dimension, partial highlights can be used to create a subtle or bold look depending on where they're placed and the amount of contrast you desire. Pricing may vary due to cut/style.	\$150.00	90 min	Yes
Hair Coloring	Root touch-up	A root touch-up is simply an application of hair dye to the roots of the hair to disguise the fact that hair has grown out and extend the longevity of the hair coloring. Cut/style is not included.	\$65.00	45 min	-
Hair Coloring	Partial Highlights	Simply put- partial highlights involve partially highlighting your mane. This highlighting technique is focused on one section of your hair. Rather than providing an all-over dimension, partial highlights can be used to create a subtle or bold look depending on where they're placed and the amount of contrast you desire. Pricing may vary; cut and styling are not included. Cut/style is additional \$35.	\$85.00	75 min	-

Hair Coloring	Full Highlights	A full highlight involves highlighting hair in every section of your head. This could be slightly lightening all of your hair or for something more dramatic like going from brunette to blonde. Pricing may vary between \$125-225 (not including haircut and style). Cut/style is additional \$35.	\$145.00	90 min	-
Hair Coloring	Demi Hair Color	What is demi-permanent color? Demi-permanent color contains no ammonia and deposits only. It is mixed with a low-volume developer to help open the cuticle and lasts up to 24 shampoos. This type of color is great for blending gray hair, enhancing natural color, refreshing color, toning highlights or for corrective work. Pricing may vary. Cut/style is additional \$35.	\$45.00	30 min	-
Hair Coloring	Semi-permanent color	A semi-permanent color contains no ammonia and deposits only. It does not require mixing with a developer and lasts anywhere between 4-12 shampoos. This type of color is used to blend gray or enhance natural color, and it is safe for immediate use after a relaxer/perm service. Pricing may vary, \$25-55. Cut/style is additional \$35.	\$25.00	45 min	-
Hair Coloring	Permanent color	Permanent hair color is exactly that- permanent. When you apply it to your hair, it adds to the natural hair pigment so that the color you've chosen can replace it. It does this by opening the cuticle to let the dye into the hair in order to deposit the permanent color. Pricing may vary. Cut/style is additional \$35.	\$75.00	80 min	-
Hair Coloring	One color for 3 bundles	A single process refers to ANY color service that is done in one step.	\$55.00	60 min	-
Hair Coloring	Two colors for 3 bundles	A double-process color refers to a two-step service. This is generally done by either (1) lightening the hair first followed by applying a color/ glaze OR (2) applying a color followed up again with a (permanent, demi, or semi) color.	\$65.00	60 min	-
Hair Coloring	Three colors for 3 bundles	A triple process color refers to a three-step service, which is generally done either by (1) lightening the hair first, then going in after and applying a color glaze OR applying a color then following up again with a color (permanent, demi, or semi). Pricing range from \$65-85. Hair must be delivered within 5-7 business days before appointment time to guarantee the color will be completed prior to install.	\$75.00	75 min	-
Natural Hair Styling	Natural Blowout	In its simplest form, a blowout is the art of drying hair after a wash to achieve a smooth and sleek look, style, and feel -- no curling or flat iron involved! Most can expect their blowout on curly hair to last anywhere between 3-5 days, but there are multiple ways to preserve your hair for longer results.	\$75.00	60 min	-
Natural Hair Styling	Natural Up-do	Up-do styling for natural, unprocessed hair.	\$100.00	75 min	-
Natural Hair Styling	Spiral set (hair length: short-medium)	Can I use perm rods on natural hair? YES! Perm rods are designed with all hair textures in mind. They're an excellent match for natural textures since they can create tight straw curls without the use of heat- which is a perk that your strands will love. Pricing may differ between length and thickness, \$65-100	\$85.00	75 min	-
Natural Hair Styling	Spiral set (hair length: medium-long)	Can I use perm rods on natural hair? YES! Perm rods are designed with all hair textures in mind. They're an excellent match for natural textures since they can create tight straw curls without the use of heat- which is a perk that your strands will love. Pricing may differ between length and thickness, \$65-100	\$100.00	75 min	-
Natural Hair Styling	Silk press	A silk press is a method of straightening natural curls rather than using a chemical relaxer. Instead, this styling technique utilizes a blowdryer and flat iron to smooth out the hair. While it's easy to assume that a silk press for natural hair is the same as a traditional press and curl, this style ups the client. Pricing may vary; cut is not included.	\$75.00	75 min	-
Natural Hair Styling	Flat twist up-do		\$75.00	75 min	-
Relaxed Hair Styling	Finger waves	Get the famous, classic look: finger waves. Finger waving is the shaping or molding of hair while wet into "s"-shaped curved undulations with the fingers and comb. These waves, when dried without being disturbed, will fall into deep waves.	\$75.00	75 min	-
Relaxed Hair Styling	Up-do	Up-do styling for relaxed hair	\$85.00	75 min	-
Relaxed Hair Styling	Spiral set (hair length: medium-long)	Spiral set with relaxed hair simply means rod set with real chemically straightened hair. Perm rods are designed with all hair textures in mind. They're an excellent match for natural textures since they can create tight straw curls without the use of heat- which is a perk that your strands will love. Pricing may differ between length and thickness, \$65-85	\$85.00	75 min	-

Relaxed Hair Styling	Spiral set (hair length: short-medium)	Spiral set with relaxed hair simply means rod set with real chemically straightened hair. Perm rods are designed with all hair textures in mind. They're an excellent match for natural textures since they can create tight straw curls without the use of heat- which is a perk that your strands will love. Pricing may differ between length and thickness, \$65-85	\$85.00	75 min	-
Braiding	Simple three-stranded braid	A simple three-strand braid is a regular, standard type of braid that you may have learned to make since you were a child. It's a classic three-strand braid where you divide your hair into three parts and then interlock them together into a neat braid. All you need to get this hairstyle right is a good hairbrush and hair band to keep it in place. Pricing is between \$35-65; wash and blowdry is not included.	\$75.00	60 min	-
Braiding	Ponytail with braids		\$100.00	90 min	-
Braiding	Halo braids	A halo braid is a hairstyle created with long Dutch or French braids pinned around the head much like a crown braid. These angelic braids are great for formal occasions but also great for everyday wear depending on styling methods and accessories like doing a half-braid or adding a bun or bangs.	\$75.00	75 min	-
Braiding	Cornrows	Cornrows (or canerows) are a traditional style of braids in which the hair is braided very close to the scalp, using an underhand/ upward motion to make a continuous, raised row. 1-2 cornrows: \$65-75 3-5 cornrows: \$75-100 Pricing does not include wash.	\$75.00	90 min	-
Braiding	Single-strand crochet (individual crochet braids)	Individual crotchet braids are also known as the no cornrow method giving you styling versatility with the time-saving benefit of crochet braiding the hair. Wash/blowdry and styling is not included.	\$135.00	120 min	-
Loc Services	Loc detox (without style)	Deep cleanse your locs to help prevent the accumulation of any settled buildup. Pricing may vary due to styling.	\$85.00	60 min	-
Loc Services	Locs up-do	Beautifully style your locs into a unique up-do style. Pricing may vary due to the length of your locs: -short \$135 -medium to long \$145	\$65.00	90 min	-
Loc Services	Interlocking	Interlocking is a maintenance technique in which the end of the loc is pulled through the root to tighten the regrowth to the scalp. Pricing may vary due to wash/ styling	\$175.00	240 min	-
Loc Services	Loc Re-twist	Refreshen your locs and make them look more refined. Styling is an additional \$35. Please note that styling adds approximately 30 minutes to the service duration.	\$125.00	120 min	-
Loc Services	Starter Dreads with interlocking	Starter locs, also referred to as "baby locs" is the first stage of the loc process. The starter loc phase generally lasts between 3-6 months depending on your hair type or the speed at which your hair grows.	\$250.00	75 min	-
Bridal Hair Services	Bridal hair styling (hair down)	Wedding party (up to 5). \$100 travel fee. Wash and extensions are not included.	\$100.00	90 min	-
Bridal Hair Services	Up-do	Wedding party (up to 5). \$100 travel fee. Wash and extensions are not included.	\$125.00	90 min	-
